## Mission Statement

"The Dakota Fund" was established to provide a scholarship in Dakota's memory to a graduating Northampton High School student and to also provide aide and assistance to a child or family in need due to tragic situations.

Dakota was a wonderful son, brother and friend to all. He will be missed dearly by all who knew him and all who have been touched by him. Being able to provide a scholarship or just a simple act of kindness in his name is a way to keep his memory alive. And if one of these recipients goes on to make a big difference in this world.....we know that will be just a little bit of our "Kota" helping make that difference.

Because of your generous support to the Dakota Fund we will be able to also award a community scholarship to a graduating senior in a Lehigh, Northampton or Carbon County High School.

**Printing donated by Keystone Business Products**

We are a 501(c)(3) non-profit organization
